ENERGY DEPARTMENT

### NOTICE OF SELECTION FOR INTERNATIONAL STUDENTS

**Subject:** Selection of 5 Italian and/or International students for the enrolment to the Joint Master of Science Program in Nuclear Engineering between Politecnico di Torino and Politecnico di Milano, named POLY<sup>2</sup>NUC, with matriculation and registration for the Master of Science in Nuclear Engineering at Politecnico di Milano in the first semester – a.y. 2018-2019.

With reference to the Joint MSc Program in the subject (more information is available on the web site [http://www.energia.polimi.it/didattica/file/Joint\\_MSc\\_Program\\_in\\_Nuclear\\_Engineering.pdf](http://www.energia.polimi.it/didattica/file/Joint_MSc_Program_in_Nuclear_Engineering.pdf)), we inform that:

- For the a.y. 2018/19, **5 positions** are available for candidates that will enrol in the Master of Science of Nuclear Engineering at Politecnico di Milano, in the first semester of a.y. 2018-2019. The requirements for the enrolment and the admission to this Master of Science are described in the Degree Programme available at the following link:  
[https://www4.ceda.polimi.it/manifesti/manifesti/controller/extra/RegolamentoPublic.do?jaf\\_currentWFID=main&EVN\\_DEFAULT=evento&aa=2016&k\\_corso\\_la=478&lang=EN](https://www4.ceda.polimi.it/manifesti/manifesti/controller/extra/RegolamentoPublic.do?jaf_currentWFID=main&EVN_DEFAULT=evento&aa=2016&k_corso_la=478&lang=EN).  
General information for the application of international students is available on the following web site:  
<http://www.polinternational.polimi.it/how-to-apply/laurea-magistrale/>.
- The interested students must submit their admission request by sending an email, within **10/09/2018**, to the two email addresses [stefano.agosteo@polimi.it](mailto:stefano.agosteo@polimi.it) and [francesco.dimaio@polimi.it](mailto:francesco.dimaio@polimi.it), indicating as subject “admission request to the Joint MSc Program POLY<sup>2</sup>NUC, with matriculation at Politecnico di Milano”, and attaching the documentation on their Bachelor degree career (degree certificate and academic transcripts of exams).
- The selection interviews will be held on **13/09/2018** at 9:30, at the B12 Building of Politecnico di Milano (Bovisa campus, via La Masa 34, 2<sup>nd</sup> floor, meeting room). For justifiable reasons, to be previously agreed with the Coordinator of the Study Programme (prof. Pssoni), during the same day it will be possible to perform the selection interview using long distance audio and video systems, on condition that their identity can be checked. The Selection Committee is composed by the following professors: prof. Matteo Passoni, prof. Antonio Cammi, prof. Francesco Di Maio.

The Coordinator of the Study Programme  
in Nuclear Engineering

Prof. Matteo Passoni
